Introduction

1. Article 6/1, paragraph 6, of the Act of 26 January 2018 on postal services (hereafter the "Postal Act") provides that the BIPT shall publish on its website the list of postal service providers that have made the notification pursuant to Article 6/1, paragraph 1, of the same Act.
2. A list of service providers active in parcel delivery is available, in real time, on the BIPT website and on the [BELparcel.be](https://www.belparcel.be) website. However, this list does not include possible final administrative or judicial decisions referred to in Article 3, paragraph 2, subparagraph 5, of the Postal Act. This list, which is updated quarterly, is intended to supplement the list available in real time.

"§ 6. According to the terms it determines, the Institute shall publish on its website and maintain a list of postal service providers that have made a notification pursuant to paragraph 1.

The Institute shall remove from that list postal service providers that have ceased their activities.

The Institute shall indicate in this list the existence of a final administrative or judicial decision referred to in Article 3, paragraph 2, subparagraph 5, of which it is aware. This indication shall be withdrawn after a period of five years from the date of the final administrative or judicial decision.

Where, pursuant to Article 21, paragraph 7, 2°, of the Act of 17 January 2003 on the status of the regulator of the Belgian postal and telecommunications sectors, the Institute imposes a total or partial suspension of the activities of the postal service provider, it shall be immediately mentioned in the list, together with the start date and duration of the suspension.

The Institute shall inform the notified providers individually of any modification to the list."
